THE ELECTRONIC INTIFADA

PALESTINE'S WEAPON OF MASS INSTRUCTION

“Every day of occupation, whether it witnesses us burying our young or not, eats away at each of us. Whether those checkpoint and prison soldiers want to admit it or not, they too are being eaten from the inside.”

- Sam Bahour writing from Occupied Ramallah
(El's *“Live from Palestine:”* Reporting on the ground since 2001)

The Electronic Intifada (EI) is a not-for-profit, independent publication committed to comprehensive public education on the question of Palestine, the Israeli-Palestinian conflict, including the economic, political, legal, and human dimensions of Israel's 40-year occupation of Palestinian territories. EI provides a needed supplement to mainstream commercial media representations of the Israeli-Palestinian conflict.
