Dear

Many thanks for your e-mail and for the outline brief that you provided.

Foreign Secretary Jack Straw is due to visit Israel for a number of high level meetings. We have therefore taken the opportunity to include in his briefing material information about A4e and its bid. We hope that he will raise this issue with Israeli officials.

As soon as this visit is over, we will be able to discuss the Ambassador's support for the last stages of your campaign.

Kind regards
