NPF Report Addendum: International

The following text, as agreed in the Labour Party Manifesto 2017, is now included in the National Policy Forum Annual Report 2017. On page 56, column 2, line 43, add:

“There can be no military solution to this conflict and all sides must avoid taking action that would make peace harder to achieve. That means both an end to the blockade, occupation and settlements, and an end to rocket and terror attacks. Labour will continue to press for an immediate return to meaningful negotiations leading to a diplomatic resolution. A Labour government will immediately recognise the state of Palestine.”
